Polo - Game of King, and the King of Games

First thought to be played by kings and aristocrats 2,500 years ago, over the centuries it has steadily grown in popularity across the world amongst royalty and the world's aristocracy. Polo, a grand spectacle of true sportsmanship, pursues perfection through intellect and athletic agility. This tradition holds true today and is followed closely and is deeply appreciated by the world's elite social circles.

Polo is enjoying a renaissance in Tianjin, China, where a new breed of prosperous wealthy socialites are embracing the game with great enthusiasm.

World Class Polo Club - Tianjin Goldin Metropolitan Polo Club Extraordinary Facilities within A Community of Wealth and Affluence

Once poetically referred to as "The Game of Kings, and the King of Games", this ancient game is seeing a resurgence take place at the world's top "Tianjin Goldin Metropolitan Polo Club".

Sitting on 890,000 square meters of lush fields the "Tianjin Goldin Metropolitan Polo Club" features an ultra-luxurious clubhouse, with top polo facilities, two international standard polo fields, a world-class indoor polo field, state-of-the-art stables with more than 200 thoroughbreds, all overseen by some of the most experienced world-class polo experts. "Tianjin Goldin Metropolitan Polo Club" is absolutely unique and extraordinary.
